#61

NOTE: This issue of the ROCKWELL REPORT combines April 15 and May 1 for two reasons. First, we are a fighting organization, not a publishing society, and there has been more fighting to do in the past three weeks than I could handle and also write two decent reports. Second, that fighting has accomplished some near miracles.

As the first step in the campaign for the governorship of Virginia, we had to have a regular method of reaching hundreds of thousands of Virginians to get them organized and keep them organized. In spite of almost total lack of funds (a condition with which we are fortunately quite familiar), we have managed to persuade and wheedle together the facilities for a new newspaper, The White Virginian, scheduled to be out May 15. (Subscriptions, $1.00 per year.)

But far more important, as you will read below, we have made one of the biggest break-throughs in the history of the right wing!!!!!

Nobody will miss any issues of the Rockwell Report for which they have subscribed. All subscriptions have been automatically extended for two issues to compensate for the issue of April 15 and the special nature of this Report for mass distribution. (We are sending out thousands free.)

**** **** **** ****

When I first entered the "movement" as a "conservative", back in 1955, I sold my publishing business and put every penny and all my effort into a carefully planned attempt to "unite" the hundreds of squabbling right-wing organizations I found all working against each other and thus impotent.

It broke my heart. The times were wrong. The American people were sound, sound asleep and "conservatives" at the time were about as well known and useful to most Americans as an alchemy shop. Not only did the people care nothing for us "conservatives", but the right-wing leaders were all playing "king-of-the-hill" with each other. They seemed more interested in attacking each other than the enemy. None of them would accept my offers to help them get out and reach the public by scientific methods of advertising and public relations which I had learned from the Jews in New York's Madison Avenue. We met in cellars, attics and private halls. Even the Jews and Reds didn't really care. There was no talk of "super-patriots" and morale in the so-called "right wing" was close to zero.

Rise of the Right

Then, as the U. S. began to go down the drain faster and faster, more and more Americans began to work harder and harder to stop it--each by what he believed to be the BEST method. Robert Welch got his "nice" group going. I helped Buckley get his even "nicer" magazine going. (I was a devotee of nice-ism myself at the time.) Ed Fields called a convention in Knoxville and I went down there and helped him set up his United White Party, which has since become the NSRP. The Klan began to rise again, here and there, but beset with awful internal strife. The Citizens' Councils were born and prospered. The old war-horses of the battle grew--men like Hargis and G. L. K. Smith and Wesley Swift. Each group claimed it had the ONLY solution to the problem, and that the others were either wasting time and money or were actually "agents", etc. Goldwater and Buckley said that Welch was ruining everything and ought to resign from his OWN society. Welch, meanwhile, is preaching that Fields is a Communist. And Fields, for his part, preaches that I am a Jew "agent", an F. B. I. plant and a "provocateur".

I have watched this tragic insanity among the right-wing leaders with growing HORROR. I was hurt and angry, of course, to be called a Red and a "Jew agent" by such good people as Elizabeth Dilling, Ron Gostick in Canada, Ed Fields, Don Bell and almost every other leader in sight. I believe in my methods (which WORK, by the way) as much as any and all of them. I have not called them "agents" of the Jews or Reds, but have suffered bitterly at being attacked so brutally not only by the Jews--but by my own people. I had just about given up any hope we could ever get together to fight the enemy rather than each other, when along came a quiet, dedicated little man in Atlanta, Georgia, who is doing what most of the rest of us have dreamed about.

Victory on July 4!

James Venable, an attorney in Atlanta, along with other good men, is organizing a "March on Washington" by our people, by White Christians--for July 4th! The first inkling I had of it all was when I spoke to a Klan meeting in Jacksonville 10 days ago. At the time, I thought it was another one of the pipe dreams so abundant in the right wing. But a lot of tough, good men assured me they were coming and I believe them. Then one of the grandest old veterans of the fight on the West Coast wrote me of the plan, and said there were ads going into papers about it everywhere.

Like a homeless orphan, I was prepared to be excluded from the bosom of my own "family" as usual, with everybody cursing me for trying to get them "smeared". (Can you imagine worrying about getting "smeared" when one is already a dirty, rotten, no-good, hate-filled "ANTI-SEMITE"!!)

We Offer Permit!

For five years now, we have held some kind of July 4th rally whenever we can here. On July 4, 1960, at our Washington rally, we were all arrested in a riot and I was thrown in the jail and the insane asylum. For five years I have fought the Federal officials for the kind of permit the niggers got last year for the Washington Monument. Year after year, they have denied it. But last year, when the niggers were getting every kind of permit for their communistic hell-raising, I enlisted the support of some members of Congress. With their help, I was able to extract a promise from the Department of Interior that I could have the Washington Monument grounds for a White, Christian rally on some other day, later. So I promptly asked for THIS Fourth of July. That was long, long ago, before I knew about Mr. Venable's March on Washington. The Department denied this on the (true) grounds that the Department runs a mammoth Fourth of July celebration on the Fourth at the Monument, but promised me the Fifth, a Sunday!

Last week I heard about Mr. Venable's plan.

When I realized Venable's group would have no good place to meet when they got here, I called him down in Atlanta and offered our permit.

Wonder of wonders, he not only accepted--he welcomed me! God bless this wonderful, brave, and far-sighted man!

Right Ready

Times have changed! You can feel it! White Christians are beginning to realize that we have no more time for squabbling with each other. I have proved my sincerity by losing my family, my savings, my safety, by going to jails and insane asylums and by standing up in the streets to the bloody attacks by the Jew and nigger terrorists--and by succeeding in terrorizing the enemies of all humanity and Christendom, the Jews! They hate me with a boiling, purple passion and that hatred is my proudest possession and, as I have met patriotic groups all over America, I have found the people getting impatient with the interminable squabbling among leaders of the movement. They realize that, in the words of Ben Franklin, we must now "all hang together or we shall all hang separately".

NOW BEFORE I CONTINUE, LET ME MAKE ONE THING CLEAR: I AM NOT TRYING TO TAKE OVER OR SMEAR THIS GREAT EVENT IN WASHINGTON!

Smear

EVERY SINGLE ONE OF THE ORGANIZATIONS WHICH WILL TAKE PART IS ALREADY "SMEARED" AS "FASCISTS" OR "NAZIS". The Jews were using that smear long, long before I ever appeared. Elizabeth Dilling and a lot of other good folks were actually accused in court as "Nazis" way back when I was leaving Brown University to go fight Hitler (because I believed the same Jew lies they tell about the U. S. South and they are now telling about all the rest of us awful "extremists", including even nice, sweet, pure little Billy Buckley). That Jew smear that right-wingers are all "Nazis" is deadly only because, so far, it always scares hell out of the White Christians and sends them running for cover!

If you want to see just how silly it is for our side to keep running away from that smear, consider the other side.

Jews Defy Smears

The nigger "March on Washington" was just loaded with the worst kind of Communists. When nigger Randolph, the head coon, was asked what he would do about Bayard Rustin, a criminal, draft-dodging communistic "ex"-member of the Young Communist League, Randolph stuck with his crimson coon assistant and announced that Rustin was "Mr. March" himself!

When Alger Hiss was in serious trouble, all his crypto-Communist friends like Eleanor and Acheson, et al., ran and TESTIFIED for him. They did not run away from him, even when he was proven to be a Soviet SPY!

Right Always Runs

But Buckley runs away from Welch and smears

him to save himself from the smears of the Jews. Welch runs away from Fields of the NSRP and smears Fields to save himself from the smears of the Jews. And Fields runs away from ME and lies about me to save himself from the smears of the Jews. Are our people so stupid and cowardly they cannot see the madness of this all? We all get smeared anyway!

I think the good White, Christian people all over the country who support all the right-wing organizations are fed up with this constant bickering and division to please the Jews. I think the people want to see leaders on our side who are at least as smart and courageous as those on the Jew side and who can work together, in spite of tactical differences.

Now it is too soon to expect that the super-nice people on our side (Buckley, Welch, Hargis and this sort) will ever take a stand with us. But I do believe the times are ripe for Gerald Smith, Wesley Swift, Gordon Winrod, Marilyn Allen, the Klan leaders, Admiral Crommelin, General Del Valle, Leander Perez, Edward Fields, Elizabeth Dilling and ALL the others with the guts to name the enemy to unite on two goals on which we all agree: (1) the preservation of the WHITE RACE, and (2) the preservation of White, Christian domination of our Constitutional Republic.

For Unity

The enemy is bitterly divided on tactics, too. The Jew Zionists believe in achieving Jew domination openly as Jews, as a "religion" (phony and evil as it is). The Jew Communists believe in winning Jew domination as atheist Bolsheviks. The Jew "liberals" pretend to eschew both, and fight for Jew domination as "democratic" "Americans". But when the chips are down, they all support each other--and they do not run from one another, as we all do. They fight, but they do it in private, where it won't help us.

I believe the times are now ripe; the situation is sufficiently desperate so that we can at long, long last achieve the same kind of working unity. We do not have to agree on or even approve of each other's tactics, methods, names or symbols. But we certainly can agree on a common and deadly enemy, and a common and wonderful goal! The enemy is the International JEW and the goal is a WHITE, CHRISTIAN AMERICA!

EVERY ONE OF US WHO BELIEVES IN THOSE THINGS MUST NOW STAND TOGETHER, REGARDLESS OF OTHER DIFFERENCES!

Speak to Your Leaders

It has never been possible before because the LEADERS would not get together. But I know from long experience that the PEOPLE in the movement ardently want unity. What the leaders won't produce, the PEOPLE can. You--the individual reader and supporter can produce a miracle in Washington, D.C. on the weekend of July 4th, if you will only speak to your leaders!

It is the members and supporters of the various right-wing groups who keep them going, and most of you support and join several organizations. Literally hundreds of people are members or friends of both the NSRP and the ANP and earnestly desire that Fields and I work together. I have tried time and again, but Fields is afraid of being called a "Nazi"--although they call him that all the time anyway. I know of dozens of good patriots who believe in and support not only me, but Smith, McGinley, Fields, Swift and others. So do you, probably.

If enough of these good people write strong enough letters to these other good leaders and tell them you want an end to the squabbling and division and weakness, they will LISTEN!

YOUR MIRACLE

Let me tell you what we can accomplish on the weekend of the Fourth, if you will get busy and demand it: We can suddenly present a SOLID FRONT to the Jews which will shake the world and boost the morale of our side as nothing since Douglas MacArthur returned.

Can you IMAGINE a platform on the grounds of the Washington Monument during the BIGGEST weekend in the Nation's Capital, with Admiral Crommelin, General Del Valle, the Klan leaders, Gerald Smith, Wesley Swift, Elizabeth Dilling, Marilyn Allen, Gordon Winrod, Ed Fields, Lincoln Rockwell and all the others with the guts to name the enemy, TOGETHER for a WHITE CHRISTIAN AMERICA!!!

THANKS TO THE STATESMANLIKE GENIUS OF JAMES VENABLE AND WALLY BUTTERWORTH, THAT IS NOW POSSIBLE!

Jews Will Scream

The screams of agony which will go up to Heaven from God's Chosen S.O.B.'s will be unequalled since Christ Himself went after them with a whip in the temple! Sure they will holler we are "all" a bunch of "Nazis". Does anyone think they would not yell that even if I had never been born? I don't care if every other leader denounces Nazism as the world's worst evil, as the Commies denounce Communism, and then help each other.

All that is necessary to bring unity and miraculous strength to our side is to forget our differences, and concentrate on the mightiest goal in history--the preservation of our White, Christian America and the destruction of Jew Communism, Zionism and race-mixing!

No Nazis July 4

I will bend over backwards not to "hog" the meeting and turn things over to Mr. Venable who started the ball rolling. I will do nothing which would "hurt" the meeting, and will use no Swastikas, no uniforms, etc. I will give the group full use of the permit for the Monument grounds for which I have worked five years. I will state to the press that everybody there is violently opposed to Nazism. I ask only an equal chance with other leaders to speak to our people in my own turn.

GROUND RULES

Here are my suggestions for the "ground rules" we must observe to achieve this miracle:

(1) There must be absolute respect for an honorable "truce" between good, White, Christian leaders who have been feuding for years. Dilling and Smith will have to refrain from attacks on each other. Fields and I will do the same. ALL of us must unite to discipline and silence anyone who violates the truce. Each leader who is allowed to participate must agree to that idea, or we will make fools of ourselves in public.

Planning Committee

(2) We must get some of the leaders together in advance to draw up a program acceptable to all and publish the "ground rules". I believe this should be done here in D.C. where the committee can go over the actual ground and arrange for sound equipment, program, transportation, talk to police officials, etc. Since I already have had five years of experience here in D.C. and know all the officials personally, I will volunteer to help with these preliminary arrangements and try to get the first committee together here. I will then turn it over to Mr. Venable or whoever is chosen to do this.

Finances

(3) Considerable money is needed to do a good job on this. I want no part of handling this money. It should be sent to Mr. Venable (for whom I can vouch) at Box 58, Decatur, Georgia.

No Pantywaists

(4) Nobody should be permitted to participate who is not willing to subscribe wholeheartedly to the common goal of a WHITE, CHRISTIAN AMERICA and who is not willing to name the common enemy, the JEW Communist, Zionist RACE-MIXERS.

for ALL Fighters

(5) Nobody who is willing to fight for those goals and against that enemy should be excluded--with one exception: anybody who advocates the violent overthrow of the Government or the violation of the laws--either of which will enable Bobby Kennedy and his nigger cops to close us up. Thus, every participant should sign a statement that he believes 100% in the law, regardless of his liking or dislike for it, until it is legally changed. This is supremely important because, as I have learned from five years of actual experience, the Jews always try to find a legal "excuse" to shut us up and close us down. Any advocacy of bombing or beatings, etc., will give them just what they want to sweep us all up in one net, which would be a catastrophe instead of a victory!

No Diversionary Attacks

(6) All literature and speeches which depart from the fundamental goal of a White, Christian America, or which attack a lot of other enemies other than the real, deadly danger of the Jews, must be forbidden. Conde McGinley, for instance, was a Catholic and one of the greatest White Christians and patriots I have ever known. We will divide and destroy ourselves if we permit attacks on Catholics and other groups which are loyal. Perez is a Catholic. Franco and many other leaders who have fought and defeated Communism were Catholics. I

am not a Catholic, and most of us are not. But we simply cannot afford the luxury of fighting each other when the Jews and niggers have us on the verge of slaughter and slavery. The meeting must stick to the main goal, in order to prevent the usual right-wing division, disunity, disruption and weakness.

No RAIDS!

(7) Each participating leader must pledge, in good faith, not to try to proselytize for members or support during the joint meetings, etc. This is one of the quickest ways to set everybody at each other's throats. Leaders can arrange for private meetings during the weekend of their own groups, and announce such meetings to all, but there must be no "missionary" work during the united meeting.

Permanent Unity

(8) It would be a shame to achieve unity and strength for just one weekend. I suggest that we plan now to set up a "White Christian Confederacy" or some similar organization or a "Congress" of some sort to continue our work in harmony and unity. Such an organization must not usurp any of the "sovereignty" of the individual organizations. I would not want that any more than anybody else. But it must permit getting <u>together</u> for joint efforts and projects.

Confederate Flag

(9) I suggest that we all agree on a "non-controversial" symbol for the event, something which will not impinge on anybody's private symbol or name, etc. For this purpose, I can think of nothing superior to the Confederate flag. I am sure most of you are aware of my objection to that (it is sectional, and we need ALL the White Christians, North and South), but Wallace has demonstrated what he can do in Wisconsin, and I think it would be a beautiful, thrilling and awe-inspiring sight to see hundreds and hundreds of colorful Confederate banners whipping in the breeze all around the Washington Monument for our rally! It would be a smash on TV (and we will certainly get international TV coverage!).

Press Conference

(10) We ought to call a joint press conference on the day of the great rally and issue a carefully prepared statement in accordance with the slogan of Mr. Venable and Mr. Butterworth: "We're taking back our Country!" The rest of us must remain silent in this, and let the organizers of this brilliant stroke carry out their plans.

I doubt most readers will have yet considered the enormous, incredible advantages we will gain from this operation. A lot of leaders will feel they will be taking a chance on getting "swamped" or "pirated", I feel sure. But they should realize that separately, we are all easy to ignore by the enemy. Together, in spite of our differences, at least in public, we will reach more human beings than most right-wing organizations have done in a lifetime of passing out literature and speaking.

Reach Millions!

With such a stellar cast of "hate-mongers" on a single platform, the networks will have to carry at least parts of what we say, as they usually do with me--and at a single blow, we will reach tens of millions of Americans with an impact they will never forget. LIFE, LOOK, TIME, etc., can NOT ignore such a smashing, dramatic affair.

Another enormous benefit is the boost it will give our side. I personally know quite a few wealthy men who used to support right-wing activity until they got disgusted with the petty bickering and division among the leaders. If some of these men saw that we can get together, all of us will benefit--none of us will lose.

Others Will Join

But there is <u>more</u>! If we can sign up the list I have already mentioned (and I believe Mr. Venable is well on the way), the pull on men like General Walker will be almost too much to resist. Enough unity among us dirty "anti-Semites" down here in the gutter will finally bring the "nice guys" off their clouds and down to earth where we have all been fighting such a desperate battle for so long. Nobody "respectable" will stand with us because we have not been able to stand together and we keep getting beaten, one by one, by the Jews. If we can show strength to survive all together, men like Hargis and Walker will get up their nerve and join us.

And <u>more</u>: I can tell you what every other leader in the movement knows; Congress is FULL of "dirty, anti-Semites". The only reason they dare not say anything is because they know as soon as they do, they will be deserted by our own side,

as we all do to each other, even us "anti-Semites". Let us once show that we will stand together, and I can tell you we are not far from the day when Congressmen will stand up in the halls of Congress and tell the truth about Jew Communism and race-mixing!

No Time for Disunity

The hour is late! Already, the enemy mobs are in the streets with Communist-style riots and the Blacks are forming "rifle clubs"! A steady line of pro-Communist Presidents and administrations have placed us on the teetering edge of the cliff. We have no more TIME for squabbling!

God bless Mr. Venable and his "March on Washington"! I pledge my whole heart and soul to the project. I pledge not to "hurt" any other patriot who joins us, regardless of what has been said about me. I pledge not to be a "Nazi" during this operation, but a simple American patriot, fighting for a WHITE, CHRISTIAN AMERICA!

In these last dark moments of our Race and Republic, let us forget the petty differences and march together under the beautiful Confederate banner out where all our people can see us and know that we will not stand for any more pushing around of America by Jew Communist-Zionist filth and their swarms of ugly, burr-head nigger troops.

Mr. Venable is not a "Nazi", and I am not a member of his "Christian Voters and Buyer's League". But he is MY kind of people. So is Ed Fields, in spite of the hard feelings. So is Jim Warner and some of the "mutineers" here who run out and blast me from time to time. So is Smith, Dilling, Swift and Butterworth. There is no "jealousy" in my body. I want to win, not be a big shot. I am ashamed of my own human failings which have led me to reply in kind when good men have hurt me by calling me a "Jew" and a Commie "agent", etc. I got mad at these men for this sort of thing, but I am ready to forgive and stand shoulder-to-shoulder with them to fight treason and race-mixing!

The only thing needed to make the "March on Washington" the biggest thing that ever happened in the fight for America since Joe McCarthy, is for YOU to get busy and write every leader you know of to join up with Mr. Venable!

Don't take EXCUSES from other leaders.

People are only afraid because they are always and forever ALONE, deserted. If YOU will insist that every leader you know pitches in on this, none of us will ever be ALONE again!

I have printed thousands of these circulars to go out to every single patriot I have ever known at our expense. I will send you more, FREE, if you will pay just the postage.

I have pledged to forgive and forget what others have said and done to me. Ask other leaders to do the same. Insist that they do it!

On the weekend of the Fourth of July, let's show America we mean what Mr. Venable has written, "WE'RE TAKING BACK OUR COUNTRY!"

Let's GO, America!

VIKINGS VERSUS VERMIN

RUSSIANS CONFIRM RACE WAR!

Almost a year ago, on August 15th, we published a whole ROCKWELL REPORT titled, "World Race War!" The Birch Society, Christian Crusade and even Gerald Smith were proclaiming that the Moscow-Peiping split was a fake, like the fake Tito-Moscow "rift". They are still saying the same thing. Even back then, when it seemed almost mad, we preached that the Chinese-Soviet split was NOT a fake, that it was a RACIAL split and the most momentous event of our times. We preached that it was the first lightning flash of the WORLD RACE WAR! -the division of the six-sevenths of black and colored humanity from the one-seventh White, -with no regard whatsoever to ideas, economics, politics, religion or anything else but RACE.

We mentioned the same thing again, in the last issue, dictated the last week of March.

In the April 13th issue of Newsweek comes the first solid confirmation.

On page 41, the leader of the Soviet delegation to a Paris meeting said, "DO THE FRENCH

UNDERSTAND THAT THE CHINESE WANT TO UNITE THE YELLOW AND BLACK RACES AGAINST THE EUROPEANS, AGAINST ALL WHITES?"

The answer to the Soviet delegate is, "No, the French, -nor any of the other Whites, -do NOT understand what the Chinese and Africans are up to. Whites all over the earth, even the "right-wingers" in America are fighting everything else BUT the RACE war now starting. They are fighting taxes, centralized government, individual freedom, state's rights, "conservatism" and "communism"; -they are NOT preparing to fight hundreds of millions of inflamed, bloodcrazed black and brown and yellow swarms.

We already LOST the first skirmish of the WORLD RACE WAR, --in Korea. That catastrophe for our perishing White Race was arranged by stupid communist "intellectuals" in our own government and State Department who see the battle of our times as COMMUNISM versus Capitalism. Their critics STILL fail to see that these economic doctrines have little or nothing to do with the REAL struggle going on, -the struggle between the INFERIOR BIOLOGICAL PRODUCTS of evolution and the SUPERIOR, -the struggle between the White MASTER RACE and the colored natural-born slaves and savages.

The Kremlin, facing hundreds of millions of colored chinamen across its borders, is getting the idea more quickly than Western politicians. When Asia and Africa have the H-bomb, Kruschev knows what they will do. Those colored nations are not "Communist" or "Capitalist" or "western" or "eastern", etc, --they are COLORED NATIONALISTS!

The quicker OUR side quits the quibbling about IDEAS, economics, politics and personalities and realizes that we are facing COLORED NATIONALISTS, --not "communism" or "atheists", etc, the quicker every White Man will become a WHITE NATIONALIST.

It is a battle of White QUALITY versus Colored QUANTITY. And in that battle, we LOSE, whether it is done by "democratic" votes in the USA or the UNO, --or by head-counting in the world at large. It is time for Nietsche and Hitler and Malthus, not for Marx, Freud, Baruch or any other Jew, ancient or modern, preaching "equality" and "brotherhood".

The battle of Armageddon will be VIKING VERSUS VERMIN!

EAST-SIDE, WEST-SIDE, BACK-SIDE

On the very week that the great Douglas MacArthur died and was the big news, Time Magazine put somebody ELSE on its cover.

That "somebody" was a Jewish nobody named "Barbra" Streissand. Already, several dozen people have sent in the picture of this frightful Jewess as their entries in our "Most Horrid Jew" contest in the Stormtrooper.

She has the usuual Jew musical comedy voice of a crow with laryngitis, the manners and composure of an Arab whore and the face of a hock-shop Kike.

Only in Jewized America --and in decaying Rome, -could such an ugly, nasty wench make the cover of the Nation's largest news magazine on the week of the death of our greatest Statesman and General! God help us!

DOPE, - A COON CURSE

The Saturday Evening Post is shedding bitter crocodile tears about the sudden growth of the narcotics habit among millions of American youth.

Dope, narcotics, -are STANDARD with the dark races all over the earth. Whenever COONS move in, marijuana, dope, heroin, etc. move in WITH THEM.

Our youth is being taught to worship nigger jazz, nigger "dances" such as the unspeakable "twist", etc, nigger vernacular such as "man!" "cool", etc etc, --so that nobody should be surprised that our youth has also picked up the nigger DOPE habit.

The pattern of dope addicition and activity is PRECISELY the pattern of the colored population in America, geographically. Wherever the population is BLACK, there you will find the dope evil, as in Harlem. Even the percentage of addicts will be found to vary in precise proportion to the proportion of NIGGERS and mongrels in the population.
